

Application for a Permanent Start Number

For season 2022 permanent start numbers can be requested via the following link:

<https://dmsbnet.de/web/start>

The permanent start numbers assigned by the DMSB/ADAC for the respective classes must be adhered to by the organizer at all DMSB/ADAC approved events. A permanent start number can be applied for at any time from 06. Dec 2022. All start numbers issued in 2021 are reserved for the respective rider for reuse until 17. Jan 2022. After this date, the permanent start numbers of the previous year will be released for all applicants. The start numbers will be reserved primarily for the participants of the previous year's season of these series. The issuance of a specific start number cannot be claimed.

Step 1:

The registration of the DMSB permanent start number is done via the personal login data of the DMSBnet. If the rider is **already registered**, please **continue with step 4**.

If there is no access to the DMSBnet yet, the rider has to register by clicking „**Jetzt registrieren**“.

The screenshot shows the DMSBnet login interface. At the top left is the DMSBnet logo. The main content area is titled 'ANMELDUNG' (Login). It contains two input fields: 'KUNDEN-ID' (Customer ID) and 'PASSWORT' (Password). Below these fields are two buttons: 'Anmelden' (Login) and 'Passwort vergessen' (Forgot password). Below the buttons is a link: 'Noch kein registrierter Kunde?' (Not yet a registered customer?) with a sub-link 'Jetzt registrieren' (Register now). The footer contains copyright information: '© 2021 DMSB - Deutscher Motor Sport Bund e.V., Frankfurt / Main' and 'Impressum | Datenschutz'.

Step 2:

Registration must be conducted as „Fahrer/Bewerber“.

Step 3:

Please enter the requested data.

Note: If the quick entry is selected when filling in the ADAC MX Masters online entry, this data will be automatically added to the online entry form.

Step 4:

Registration will now be processed by the DMSB. The personal login data will be sent by e-mail. After receiving the login data, the registration can be done as shown in step 1.

Step 5:

After logging in with the personal login data, the box „Dauerstartnummern-Antrag“ must be selected in the menu.

Step 6:

Choose the respective class.

Note: For participants of the ADAC MX Masters and the DM (National German Championship) two separate applications must be filled in!
